### **Background Checks**

- All ammunition transfers require a DOJ background check. You must be at least 21 years old & own a legally registered firearm for all ammunition shipments & purchases (CA LAW),
- Standard check: \$5.00 & if unsuccessful, Basic check: \$19.00
- Only the purchaser may pick up shipments. Name on shipping label & purchase receipt must match the ID of the person picking up. We take these background checks seriously to ensure compliance with California regulations and to prioritize the safety of our customers and the community. By implementing this policy, we aim to prevent the unauthorized sale of ammunition and promote responsible firearm ownership within our state.

**Your shipment CAN NOT be picked up by ANYONE but YOU "the purchaser".**

If you fail the ammunition background check, you will have 30 days to contact the DOJ to fix the problem, and you will incur storage fees at \$10.00 per day.

**FEES WILL NOT BE REFUNDED**

### **If a straw purchase is suspected**

We **WILL NOT RELEASE** your shipment to you; your information will be turned over to law enforcement for them to decide what happens next & your shipment will be donated to our training department.
